EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

1. Authorization for this examiner's amendment was given in a telephone interview with Mark Danielson, # 40,580, on 6/11/04. Applicant agreed to cancel claims 1-5 and 12 without traverse.

Reason For Allowance

The following is an examiner's statement of reasons for allowance:.

2. None of the prior art of record discloses a system to manage configurable assets in a distributed system environment, including a service provider device controls a plurality of configurable assets and a management server,

the management server comprising a database to store help information about the configurable assets and the service provider device and about features of the configurable assets and the service provider device; a security database to store user information about users associated with the configurable assets; a security interface to update the user information and to grant users access to the help information according to the user information; a network discovery interface to automatically discover status information regarding the service provider device and the configurable assets; an interface to automatically update the help information according to the status

information, and to manually update the help information according to instructions from an administrator of the management server, an application interface to receive requests for the help information from the users, the interface being operable to send the help information to the users in accordance with the security interface.

3. This functionality is supported by the specification at pages 8-22,26-30, Fig 3
4. Claims 7-11 depend on claim 6 and are considered allowable on the same basis as the independent claim as well as for the further limitation set forth.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
